

COLOR SHEET

If none of these colors satisfies your needs.
You can ask us to create a custom color.
Just give us a color code (RAL, NCS, Pantone,...).
For this customization, we do ask an extra cost.

Contract safe colors

Like you, we are a huge fan of colors! But keep in mind that some colors are not appropriate for certain usage. Our products need cleaning and respect. And lighter colors need even more care. This is why we've split up our range into "contract safe colors" and "colors with care".

05. Dark purple

06. Purple

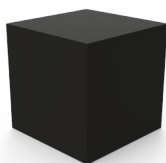

07. Magenta

08. Raspberry

14. Black

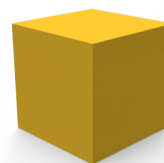

16. Red

17. Anthracite

33. Moutarde

12. Ochre
